

PUBLIC LEDGER

WEEKLY REPUBLICAN-1897.
DAILY PUBLIC LEDGER-1897.

MAYSVILLE, KY., THURSDAY, JANUARY 11 1906

ONE COPY—ONE CENT.

IN KENTUCKY.
Down yonder in Kentucky,
Where the women are so fair
Their loveliness is sweeter
Than the picture of a prayer,
There are hens which are so thoughtless,
In an egg-producing way,
That they lay them on Sunday
Same as any other day.

And the women, bless their goodness,
Are neglecting now the men's
Shortcomings, and are turning
Their attention to the hens'.
They know they can't reform them,
But they feel it is a sin
To spend the tainted money
That those Sunday eggs bring in.

Unless for some good purpose,
So the women have decreed
That the hallelujah hen eggs
Shall contribute to the need
Of foreign missionaries.
And in this way make amends
For the direful deprecation
Of those Sabbath-breaking hens.

—Will J. Lampton.

If you have an item of news, please
call up The Ledger, Telephone 33, and let
us have it.

Wanted—Some one who knows how to re-
pair an electric gas-lighting attachment. Ap-
ply at this office.

Yesterday Miss Lizzie Fleming tripped and
fell at her home in East Second street and sus-
tained a severely sprained ankle.

The Ewing correspondent of The Fleming
Gazette says there is some talk among capital-
ists of a trolley line from Newport to Flemings-
burg.

There was good skating on Limestone creek
yesterday just below the bridge, and Kinney
McClanahan and Alex. Calhoun were getting
full measure of the sport.

William Hickie, Sam Peterson and Peggy
Hanson plead guilty to petit larceny in Judge
Newell's Court yesterday and were sentenced to
thirty days in jail at hard labor. Sam Lyons
was dismissed.

The American Tobacco Company's plant in
the East End is a busy place these days, giving
employment to a large force of hands. Large
quantities of tobacco are being received daily,
and good prices are paid for the weed.

If you have a Diamond want I will
guarantee to save you money. See my stock
before buying a Diamond or Watch. We are
leaders in everything in our line.

P. J. MURPHY, the Jeweler.

Captain William R. Ellis, one of Aberdeen's
worthy and respected citizens, was stricken
with paralysis last Saturday and now lies in a
critical condition. Captain Ellis, during the
war, was a member of Captain John Rogers's
Company, Tenth Kentucky Cavalry. Owing to
his advanced age, 83 years, the chances of re-
covery are decidedly against him.

The increased business of the Ohio River
Lumber Company necessitated the enlargement
of their plant in the East End. They are build-
ing a large addition to their mill, which will
give them ample scope in keeping abreast of
the demands made upon them. Since the new
firm has taken hold prosperously and now business
has followed their every effort. This firm em-
ploys quite a number of hands and pays out a
considerable amount of money every Saturday,
which finds its way into the coffers of the mer-
chants of the city.

The Week of Prayer has surely been very
successful this year, especially from the point
of view as to blessings to those who attend.
Every night added numbers of people who express
the above sentiment. Last night the meeting
was held in the First Baptist Church, led by its
Minister, Rev. C. W. Chadwick, who was a fine
leader in preparing the assembly to hear the
speaker of the evening, Dr. George H. Harris.
The address was scholarly, instructive and pen-
etrating into the very hearts of his hearers.
Mayville should feel herself proud to have such
a good, strong man in her midst. He held the
closest attention, and everyone will remember
what he said and feel a personal responsibility
to God for their life.

MRS. MARY T. FRISTOE.

Mrs. Mary T. Fristoe, wife of Mr. William
Fristoe, died at an early hour this morning at her
home near the Fairgrounds, after an illness of
two weeks from typhoid fever.

She was about 22 years of age and was the
daughter of Mr. Res T. Sweet.

Surviving are her husband and an infant son.
The arrangements for the funeral have not
yet been completed.

THE HEINZ WAY

OF PURE FOOD preparation represents 36 years of sticking to a single princi-
ple—conscientious endeavor to improve that which was already the best. We
carry the entire line and ask you to try their Apple Butter. It is better than
any and the best that can be made.

TELEPHONE No. 43. C. W. GEISEL, OPPOSITE OF A HOUSE

Mr. Titus F. Ellis will arrive this afternoon
from Washington City to be at the bedside of
his father, Captain William Ellis, who is critically
ill at Aberdeen.

John W. Leggett, a former citizen, died in
Cincinnati Monday. His body came up on the
Courier yesterday. Funeral this afternoon at
2 o'clock. Services at the grave by Rev. G.
W. Buntin. Interment in Mayville Cemetery.

DIED IN ST. LOUIS

Mrs. George H. Owens, Following a
Streetcar Accident

The following brief telegram will carry
sorrow to many homes in this city—

St. Louis, Mo., January 10th, 1906.
Thomas A. Davis, Public Ledger, Mayville,
Ky.: Wife died suddenly following streetcar
accident 9th. Mailing particulars.
GEORGE H. OWENS.

As "Mollie Porter," Mrs. Owens was known
and universally beloved by a wide circle in both
Mason and Fleming counties—the latter her
birthplace and the former her home for some
time prior to her marriage and for many years
subsequently.

Here in Mayville, her friends were numbered
by her acquaintances; and her cruel and un-
timely death will cause universal sadness, while
genuine sympathy will go out to those so
suddenly bereaved.

Surviving are the devoted husband and two
children—Mr. Bruce Owens of St. Louis and
Mrs. Nellie Page Withers of Dallas, Texas.

EVANGELIST WILLIAMS

Another Big Audience and Good Ser-
mon at M. E. Church

Mr. Williams preached from Rev. 22:17 last
night to a usually large audience.

He said that after Christ had gone home
from earth he sent the "last invitation to the
world and said, 'Come.' If men would pay
their vows to God, the world would quickly be
brought to the Cross of Christ. We make vows
to God and break them so often that it is a
wonder that God trusts humanity at all. He
said his text said "The Spirit, the Bride, the
Church, He that heareth say, 'Come.' The
Spirit calls every one and speaks to them all
along the way. The Church calls by the
Preacher; the Sunday-school, the prayers, the
songs. He said if every man and woman who
knows the power of redeeming grace would tell
it as Christ had commanded in this text, the
world would soon accept Christ. There are
hearts in Mayville which are breaking to hear
of this Christ; there are eyes red with weeping
because some one has failed to tell the gospel
story. Christ's last request was "Let him that
heareth say, 'Come,' that there are hundreds in
Mayville turning down the last request of
Christ. Happiness is not in bank accounts and
brown stone fronts, but it is in helping some
one. Here is the key—Go and tell it. This
world is cold to a fallen man, but it is a Green-
land to a fallen woman. The blood of Christ
can cleanse from sin, that is sanctification,
purity, holiness. Unconsciously the soldier that
pierced the side of the crucified Lord opened
the fountain in the house of David for the re-
demption of the world. He said a man could
believe in Christ and the Bible and yet be lost
unless that belief in Christ leads to a conse-
cration of life to him, and the faith in the
word leads the man to order his life according
to its plan.

The service was unusual in its interest and
attention.
Two were converted and united with the
Church.
Mr. Muse rendered valued service in a most
helpful solo.
The Church is expecting great results in these
special efforts. Subject tonight, "No Room
for Jesus."

Mr. Lucien Becker, who has just withdrawn
from The Winchester Sun-Sentinel, is now as-
sociated with his father, Judge W. M. Becker,
in the practice of law.

WHEN Cynthiana gets her \$100,000 Public Building, Mr. WINDOM will probably locate it at Shawhan.

It looks like the only way to stop "hazing" at the Naval Academy at Annapolis is to stop the Academy.

NOTWITHSTANDING that Owingsville is now a Prohibition town, her versatile newspaper liar continues to fill the cheap city dailies with big snake stories.

An intelligent headliner speaks of a lady as "the mother of her children," to prevent anyone, probably, from thinking that she might be the mother of some other woman's children.

ONE of them pesky country Auditor's Agents down at Covington actually claimed that Congress had no right to issue bonds which Kentucky could not tax! The way that the Court set down on him could be heard half a mile.

It appears to be a necessary qualification for the Sam's future Rear Admirals to see how a Naval Cadet can stand on his head without losing consciousness. Probably this "de-" has been injected into naval training to pace with the college societies that initi-embers by tying them to railroad tracks ~~trains may make sure of killing them,~~ murdering students in the name of foot-

WHEN Governor PATTISON took the official oath as Governor of Ohio, it wasn't thought necessary to have him swear that he never fought a duel. Here is another evidence that Kentucky is ahead of Ohio.

THE Louisville Post thus informs the general public on a question of which it seems to lack knowledge—

"It seems most of the railroads in the Central Traffic Passenger Association have concluded that it costs them more to pay cash for advertising in newspapers than to pay in transportation. The newspapers could have told them that in advance. No public institution gets from the newspapers as much advertising as the railroads, and when it is put on a cash basis this will be apparent."

IN New York a few days ago a lecturer made this statement—

"I fear that a revolution is pending in this country, inspired by the want of remunerative employment and sufficient food."

May I venture to suggest to the learned and scared lecturer that if a few millions of the dollars now earned by "remunerative employment," and which are spent in the saloons, were spent at the groceries instead, there would be "sufficient food" in tens of thousands of homes that now know it not?

HERE'S one sensible Preacher. The Rev. GEORGE D. ROGERS, Pastor of the First Baptist Church at Highland Park, Ill., a suburb of Chicago, which is situated close to the large military post of Fort Sheridan, has published a letter in which he declares himself without reserve in favor of the re-establishment of the army canteen.

He declares that he has made a study of conditions surrounding the army post at Fort Sheridan, and has come to the conclusion that the existence of the canteen is the best solution of a difficult problem. He says in the conclusion of his letter:

"The Army would have kept and still would have the canteen as the best solution to a great problem of discipline. It was the influence of misguided sentiment that forced the abolishment of the canteen and permitted hundreds of the lowest dives on earth to crowd up to the very gates of the Army Posts and lie in wait for soldiers."

Don't Invite Consumption!

Consumption is a germ disease. The germs are everywhere, but they can't get hold of you unless the condition of your lungs is favorable for their growth. The most favorable condition is the one that irritates, a neglected cough. The irritated, weakened condition of lung tissues invites attack. Safely demands that every cough be promptly cured, and, above all, thoroughly cured. Chenoweth's Cough Cure is a most thorough remedy. Every bottle is guaranteed. Prices 25c and 50c.

RENTERS OF FARMS.

Renters pay to landlords for farm property on an average of about one-half of what the lands produce. We have abundant evidence to show that the renter has but very little incentive to frugal living compared with the man who buys a farm and is anxious to have the same free from any encumbrance. The man of average ability who has a few hundred dollars accumulated is doing himself and family a great injustice if he fails to buy a tract of land. The cases are very rare where a sober man of industrious habits has been compelled to forfeit the payments which he has made upon a farm bought at a reasonable figure. It is my advice to every man who has either money or credit sufficient to enable him to buy land to do so and stop renting. I have farms of all sizes, prices and in almost every locality in this section of Kentucky. I shall be pleased to show you my list and give you any information in my possession which will enable you to do justice to the family that is dependent on you for support.

A UNIQUE RECORD.

Not Another Like It In Our Broad Republic.

To give positive home testimony in every locality is of itself unanswerable proof of merit; but when we add to this the continued endorsement from people who testified years ago no evidence can be stronger. A Maysville citizen gratefully acknowledges the good received from Doan's Kidney Pills, and when time has tested the cure we find the same hearty endorsement, with added enthusiasm and continued praise. Cases of this kind are plentiful in the work of Doan's Kidney Pills, and such a record is unique in the annals of medicine.

A. W. McClannahan, of A. W. & B. P. McClannahan, grocers, at 121 Second street, Maysville, Ky., says:

"I can endorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Maysville people that this medicine had cured me of severe kidney trouble and backache that had bothered me more or less for twenty years and seemed to be growing worse and worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that I am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to anyone who may inquire. I got the remedy at J. Jas. Wood & Son's Drugstore."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute

If you want to keep "posted," read the advertisements in THE LEDGER. They are a part of Maysville's daily local history.

The Directors of the Ripley Fair Company have re-elected J. C. Newcomb President and L. H. Williams Secretary, and have set the time for the next Fair the second week in August, commencing the 7th and continuing four days.

Beware of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Miss Maggie Carpenter closed her school Friday, with the nicest treat of candy for the scholars that they have received in several years.

Miss Flora Carpenter closed her school the 27th ult. with quite an interesting program and a lovely treat for the children. The program consisted of music, dialogues and recitations.

I. N. Williams and Miss Hattie Thomas drove to Mt. Carmel and were married and then went on to Vanceburg to visit relatives, with the intention of going from there to Saybrook, Ill., to make their future home. On the same day (December 27th) Martin Meyers of Noah and Miss Minnie Ackley were united in the holy bonds of matrimony.

J. S. Bowman has gone to join his wife at Lancaster for a short visit to her parents, Mr. and Mrs. G. W. Anderson. Mr. Bowman accompanied his wife and had only reached there the night before when a telegram was received calling him to the bedside of his son, Shoriff T. M. Bowman, of Vanceburg, who was very low with pneumonia fever.

How true the old proverb is: "That trouble never comes singly," or at least so it has been to John Lightner. On October 9th, 1905, they were called to give their daughter, Miss Cora, up to "him who doeth all things well." Then on December 20th his aged mother, Mrs. Sarah Lightner, whom we spoke of being so low with droopy, died, and on last Thursday night, Charlie, his next eldest son, died of spinal meningitis at the home of Doss Grayson in Woodford county. Charlie had suffered untold agony from a tick he received on his head by a tier pole falling from a barn where he was helping to hang tobacco. The tick caused brain fever and finally spinal meningitis. His father was at his bedside during his last illness and he and J. S. Million brought the remains to Flemingsburg Friday, where they were met by Undertaker Markwell and brought to the family lot in the Martin Cemetery. God pity them in this their hour of sorrow is our prayer.

MOUNT GILEAD.

Mr. and Mrs. Alex Brumel's daughters and families spent Christmas with them.

Mr. Kenas Farrow is still lingering in a serious condition with an incurable cancer.

Stripping tobacco and wanting to sell is the principal topic these days; and some are ready to sell.

The young folks have extended Christmas full up to this time, judging by their numerous gatherings for music and dancing.

Miss Maud Calvert has returned from her home in Ohio, after a two weeks stay, to resume her studies at the Mt. Gilead school.

Mr. Charles Calvert and Master Ed Gray, with whom he is making his home in Bourbon county, made a flying visit to relatives at Mt. Gilead, Orangeburg and Dover.

Mr. Harry Wood and family from near Newport were with his parents, Mr. and Mrs. Tom Wood, during Christmas, and also with his brother, Mr. Lee Wood, from Ohio.

Miss Lizzie Clay Stone, after spending Christmas at her home, returned to Bourbon College at Paris, where she is delighted with her teachers and schoolmates, her studies and other environments.

Our late blacksmith, Mr. Perry Frier, after a few months stay in the Asylum, has returned and moved his tools to Carter county, his wife and children having gone before to her relatives in Virginia.

What is the matter with the telephone companies, anyhow; when Mt. Gilead is begging and nearly crying for a line? Without a phone—as the fellow says—we are not in it. Come on and help us out. We want to keep up with society and business.

The Fleming County Grand Jury returned ten indictments before adjourning.

SOCIAL EVENTS

Tuesday's Lexington Leader had the following, the little guest of honor being the daughter of Mrs. Anna Frazee Ball—

A very delightful affair for little folks was given at Hamilton College Saturday evening in honor of Frances Dixon Ball of Maysville, who has been spending a few days at the College with her aunt, Miss Frances Frazee. The hostess for the occasion was Miss Connelly, who received the children in her studio, where a series of games were enjoyed, the final test being the donkey game, in which the little guest carried off the honors, winning the prize. A table was prettily spread for the children in the reception room in the annex, and refreshments served.

Latest News

Mrs. Cassie Chadwick has been denied a rehearing by the United States Court, and must stay in jail.

Mrs. Antoinette Tolla, sentenced to hang tomorrow in New Jersey for killing the man who assaulted her, has been granted a thirty day reprieve by Governor Stokes.

The famous West Hotel, Minneapolis, took fire yesterday and 9 persons are known to have lost their lives—some by burning, some by suffocation, and some by jumping from the upper stories. Captain John Herwin of the Fire Department was carrying a woman down a scaling ladder when the terrified woman tried to jump to a window ledge. Captain Herwin thereupon lost his balance, falling seven stories to his death. One of the most thrilling rescues was that of E. A. Chamberlain and family, who were in the top story. Mr. Chamberlain gathered bedding and sheets and made a rope of them, and at the same time the extension ladders were being placed into position, but found too short. The Pompeii ladders were rushed to the scene, and a fireman with a rope about him firmly placed and scaled the ladder to the eaves of thousands of excited spectators. Arriving at the window, he took one after the other and lowered them safely to the extension ladders two stories beneath by means of the rope, where they were brought to safety. The rescue was accomplished amid deathlike silence. When the last person had been lowered and the fireman followed, the cheering broke loose. It was one of the most thrilling scenes ever witnessed in that city.
